

## Reward Contract

**Project Investors Inc DBA Cryptsy.com**, known as "First Party," agrees to enter into this contract with **Cryptcracker**, known as "Second Party" on **March 13, 2016**.

This agreement is based on the following provisions:

- 1. Cryptcracker will recover for reward the stolen 13,000 Bitcoin (approximate) from the Cryptsy exchange for a base reward of 1750 BTC about %13.46154 of the 13,000 Bitcoin. To account for the approximation a %13.46154 bounty percentage fee will be awarded to Cryptcracker for all recovered Bitcoin instead of 1750 Bitcoin if the recovered amount deviates from 13,000 Bitcoin.**
- 2. Cryptcracker may recover stolen 247,000 Litecoin (approximate) for an additional award of 250 Bitcoin. This recovery is listed as secondary to the recovery of the Bitcoin. This recovery is to take place once the recovery of the Bitcoin is complete.**
- 3. Additional bounties may be paid for recovery of BTCD (37,400 approximate) and X11 (239,000 approximate) along with other coins lost. Amount of bounty to be decided After Bitcoin and Litecoin are recovered.**
- 4. The recovery of the Bitcoin is the primary concern so it will receive attention ahead of the recovery of other coins. The recovered Bitcoin is to be sent to First Party owned Bitcoin address: 1Mr4WJMQCXs9WtvHTwafQnXbtSXCmc9eSr within a maximum of 3 hours of receiving the Bitcoin the First Party is to send 1750 Bitcoin or %13.46154 of the recovered funds to Second Party owned Bitcoin address: 1H9utcaSkwstmP4qFgoE3HyBjKM1oeFTLK**

To ensure privacy the Second Party wishes to stay anonymous however if problems arise and the Second Party is required to reveal their identity a signed message has been created by the Second Party (Cryptcracker). The signed message will contain the Second Party's identity along with their legal name, date of birth and location of birth. Only the Second Party has the capability of unencrypting this signed message. The Second Party's signed message and public pgp key will be shown in this contract.
